

Journey of the Soul

Fascinating new class from JLI

A fascinating new six-session course from
the Rohr Jewish Learning Institute

What is a soul? Where does it go after it departs this world? Do Jews believe in heaven and hell? Can souls communicate with us from the afterlife? How does reincarnation work?

Journey of the Soul explores the mysteries surrounding the spiritual dimension of our existence—our destiny that continues even after we've shed our earth-bound body suit. We examine the transition of the soul into the hereafter, the kinds of legacies that are valued even after we've forsaken this earthly existence, and the accompanying emotional journey and rituals that help the soul and those closest to it prepare for its new reality.
